

PARI

MODEL K 61 N PORTABLE

With piano effects

PARI K 61 N Model is one of the most superb organ recently produced. Capable of perfect interpretation of jazz, pop, folk and any other modern style, as well as classical and religious music. It possesses tone and quality of pipe organs (sinusoidal wave) and up-to-date instruments, thus enabling performers to get effects and combinations unobtainable from electronic organs.

Its **TRANSPORTABILITY** and **ADAPTABILITY** make the PARI K 61 N the most complete organ among **PORTABLE** models for professionals.
