

Why We Chose a KINSMAN Electronic Home Organ

"Our daughter Kim's musical education was most important to us and so was the choice of instrument. In the Kinsman Duchess* we found the wonderful tone, the compact size and the economy we wanted. It's the finest organ we have ever heard." — Mrs. William Berndt,
3850 N. E. 22nd Way, Pompano Beach, Florida

Kinsman — A Wise Choice To Make

For the best value in a home electronic organ, let your discriminating taste be your guide. Select one of four Kinsman models . . . the Duchess, the Princess, the Crown Princess or the new F-25 Crown Princess with 25-note pedal keyboard. The model of your choice can be in your home after a low down payment. Ask your Kinsman dealer about convenient terms.
